Cheers to 2022 and big things ahead 🥂

It's been a whirlwind year for us all here at [client name]. We wanted to drop you a line to wish you very happy holidays and a wonderful new year.

The start of another year is always exciting, with so much to look forward to over the months ahead. Over the last 12 months, we've achieved more than we could have imagined, and we're so excited to see what next year brings.

Looking back on 2022

- We were thrilled to secure [funding information] earlier this year, which we plan to use to support our growth across Europe.
- We also acquired two major brands with properties across Finland and Estonia, meaning we'll soon be able to serve even more guests across these beautiful countries.
- But we didn't stop there! We've also opened brand new locations in Florence and Tartu, meaning travellers looking for sustainable short-stay accommodation in Italy and Estonia have an eco-friendly place to hang their hat.

Big things comin' in 2023

- In 2023, we'll be adding even more properties to our repertoire.
- We'll be touching down in Norway and the Netherlands and eagerly waiting to host guests in more European cities than ever.

So, if you've got properties that would make great [client name], our real estate team is waiting to hear from you!
